

IDG-BC-90EM

IDGard Weather-proof Prox Reader
(EM, Weigand 26 Bit)

Description

- Waterproof degree IP68
- Card access only
- Operate by infrared remote controller
- Support 200 fingerprints & 10,000 cards
- Support admin add/delete card
- With data transconductance function
- Can set standalone/reader wg26-34 output/toggle relay modes

Technical Specification

Unit Model	IDG-BC-90EM
Card type	EM
Working voltage	DC12-24V
Reading range	2-5cm
Operating humidity	10%-90%
Short-circuit protect	≤100us
Alarm output load	≤20A
Waterproof	IP68
Idle current	≤30mA
Operating temperature	-40~60°C
Lock output load	≤1A
Alarm output time	0~3min
Door opening time	0~99s
